WHEELING, AUGUST 30, 1890.

REPUBLICAN TICKET. TOR JUDGE OF THE COURT OF APPEALS, HON. P. M. REYNOLDS,

FOR CLERK OF THE COUNTY COURT, RICHARD ROBERTSON. FOR CLERK OF THE CIRCUIT COURT, S. L. BRICE. FOR HOUSE OF DELLGATES W. H. HEARNE, DANL, MANWELL,

CHARLES MORNINGSTAR, JOHN CUMMISS. Election, Tursday, Nevember 4. BARON LAGERFELT is said to have been easily the handsomest man in Pittsburgh. When the bottom is reached this may be found to account for it. THE next time the Register wants to ton planters oppose the bill and farmers know what is the matter with the Dem- favor it.

ocratic party it will not ask Gen. Bushrod W. Price to tell. The letter that came and was not published may give

of the elevation of the stage. Where to the Register.

The production is full of entertainorrhestra will always be in danger.

The production is full of entertainorrhestra will always be in dauger. RATIONS for 7,500 Sioux Indians are

wants an explanation. Can't Washington understand that some Indians are hungry enough to cat two rations? Tun late Congressman Watson, of

Pennsylvania, hastened his end by disobeying the injunctions of his physician and hurrying to his place in the House when he was needed there. There are never go that way.

CHAIRMAN JOHN FARRIN of the Second District Republican Committee announ- criticise the Register, but in this matter ces that tickets for the Piedmont con-vention, to be held September 2, will be say that General Price was badly treated. on sale at reduced rates at the Balti-more & Ohio officeo along the line. This call at headquarters, only to be kicked is the convention to name a Republican off the steps when he presented himself successor to Congressman W. L. Wilson, at the door. It is difficult to believe

evening, did not know what struck them. Death was instantaneous. The electric light people offer no explanation. The fact is enough. It suggests once more that a wire charged with electricity for lighting purposes carries within itself

with a former mulatto coachman, and Company sent out a circular letter to the twain were made one flesh. The several United States Senators for the girl's father and brother are in pursuit, purpose of securing such information as each awaring that the mulatto husband shall die. The man and woman have been traced to Massachusetts. Some body should remind these Virginia gentlemen that sometimes they hang for murder in Massachusetts. murder in Massachusetts.

try when a National election is to be

who could help themselves would not be content with some of its requirements, my presence, this 6th day of December, notably that which brought the men to A. D. 1886. the barn at 3:30 in the morning and kept them there most of the day before they could learn whether they were to have work that day.

When the men made their demand When the men made their demand they gave the company little enough time to reach a conclusion. The company, through its Superintendent, cut the notice shorter by discharging men who would not sign an agreement. If
the Superintendent did not realize that
he was precipitating the strike, he is
intelligent than he has been thought
the superintendent between thought

treatment of an effort to keep its cars running. This effort might well have The M. P. Conference to Session-Injury shown itself in a willinguess to talk the matter over with the men with a view to an adjustment of the trouble without a stoppage of business.

The Second District Nomination A recent dispatch from Washington,

warmly opposed. The opposition would have shown itself in covention. There are capable men in the district to select from—half a degen either of whom would receive hearty support and stand to the shaft. good chance of being elected.

Our Hog Wins. When the House got to voting on the lard bill it was pretty much one way. Which shows once more what a tempes n a teanot a minority can raise. The ourpose of the bill is right. Real lard is og fat, not cotton seed oil or stearine. If manufacturers wish to offer and conumers to use the compound, let the compound stand on such merits as it is

Pure cotton seed oil has many advantages over lard from a diseased animal, and there are those who prefer the cot-ton seed oil to the very best lard. But his was not the issue raised by the bill, and it does not account for the opposition of the manufacturers of bogue lard, who were determined to keep on selling their product under a false name. Cot-

Invited-But Not Wanted.

The Register usked Gen. B. W. Price, the veteran Democrat of Marshall county, to say what he understood to be the John L. Sullivan has turned his matter with the Democratic party in broad back on the prize ring and gone in to strike some telling blows in behalf blows in West Virginia. Being thus appealed to, and well understanding the matter, Genthey lack

nent and instruction, just such a qualities of RATIONS for 7,500 Sioux Indians are thing as a live newspaper likes to get drawn. The Census takers can find hold of. But the Register did not throw but 5,166 Sioux all told. Washington wants an explanation. Can't Washing- with certain others it had procured.

Why was General Price treated with this contempt? He had not pushed his and views on anybody. His letter was much better written than some that were printed, and in point of style much above the average of Register editorial articles. It had the merit of going when he was needed there. There are straight to the point, saying something some members of Congress who will straight to the point, saying something and saying it so that the meaning could not be misunderstood. It is always painful to be obliged to

The two men who stepped on the electric light wire in the tunnel, last ager of the Register was at home when the old servant of Democracy was so inhospitably treated.

QUAY ON THE "FORCE" BLIL. He Explains the Postponement of the Fed-

eral Election Measure—He is Not Op-posed to it. New York Special. In accordance with a request made by

A Virginia girl of good family ran off many negroes, the Afro-American News

lows:
"I know of no disposition on the part west Virginia.

A writer in the Pittsburg Commercial Gazette shows a keen appreciation of a good thing. Speaking of West Virginia he says:

The resources of the State are great; there are single counties a high have more natural wealth than had many a transite commonwealth of an angulty, and it was remarked to me the other than the roles. She has not considered the resources of the war in attacking intrenched lines, you will remove of air points to condiat, that any store size in the lines. She has not only natural wealth; the lass in lattle fight, upright and triadly people, with not a little of the chivshous temper, the lass of the roles and precedence of the war in attacking intrenched lines, you will remove of fair play, which was the boast of their fathers in the great cays of the old Dominion.

After this not much remains to be said except to elaborate. The world is finding out that West Virginia is, and what

After this not much remains to be said except to elaborate. The world is finding out that West Virginia is, and what she is. This discovery is good business for the State. West Virginia in the full flower of development will be one of the wonders of the country and one of the powerfal States of the Union.

The Indiana Why.

Some colored men, having asked Republican Senators why the Senate delays action of the Federal election bill, are told that this is the best that could be done under the circumstances. This is Senator Quay's explanation, and the other explanations do not differ essentially from his.

The trouble was between Republican Senators who are opposed to the bill. Whether the sick will be well in time for the autumn manageuvres, and whether the opponents of the bill will by that time come around to the Republican platform, will be shown by the subse-

the opponents of the bill will by that time come around to the Republican platform, will be shown by the subsequent proceedings.

The prospect is not in the highest degree encouraging to those who desire to see Congress do all it can do to protect the ballot box everywhere in this country when a National election is to be

try when a National election is to be held.

The Street Car Trouble.

The strike is not an admirable way to transact business, but the company which does the street car work of Wheeling invited the one which came along Thursday evening and tied up its cars. The company knew that men who could help themselves would not who could help themselves would not street and subscribed in
